LEVERAGE THE 3 POWERS to Magnify the Results of Your Success

We created this handout to help you get the most out of your E5 Leadership Academy experience. As you go through the lesson, fill in the blanks below with the success techniques I show you and use this guide anytime you feel stuck or unsure how to act.

Let me ask you a question...

Doing what you do as good as you do it day in and day out are you getting all the success, time, energy, resources, money, and lifestyle that you want in your life?

If the answer is no, you're in the right place!

Success is _____

Success doesn't just happen by accident. We must take control of our own destiny.

THE THREE POWERS

1

The Power of _____

Words have the power of life and death. Words also have the power to amplify your dreams and bring them into existence. Use good, positive, and encouraging words to build people up, not negative words that tear them down.

2

The Power of _____

Unity is coming into agreement with words, associations, places, or things. The unification of 3 or more people together creates tremendous supernatural power that can help you achieve anything you set your mind to. When you join the power of the spoken word to the power of unity through the right associations, you can make all your dreams come true.

3

Power of _____

Submission means becoming SUB to the MISSION (the mission being your dream, your goal and your purpose in life).

The Dos and Don'ts of Submission

Before deciding to put yourself under a certain mission, ask:

- Does whatever I'm about to engage in or whatever I'm about to become submissive to, move me closer to my dreams and goals, or further away?
- Is this going to affect my life in a positive way over the next 2-5 years?

Be careful with your power to submission, and know that you can submit to both good and bad and that the decisions you make will have a direct effect on your life.

Checking Your Actions & Leveraging Your 3 Powers

Make a habit to pause a few moments each week and ask yourself these questions to make sure you have your 3 powers in full alignment with all you want to achieve:

- Are you speaking good, positive, and uplifting words both to yourself and others?
- Who and what are you unifying and associating your thoughts and actions with?
- Who or what are you submitting to? What are your missions in life?
