

# E5 Leader

## HOW LONG DOES IT TAKE TO BECOME AN E5 LEADER?

- E5 Leadership is a journey.
  - When you move from point A, introduction, to point B, belief, you have become an E5 Leader.
  - The time from point B to point C - developing traits, techniques, and skills to follow and pursue your dreams - goes on for life.
- There's nothing greater than a person with a vision and purpose greater than himself pursuing their dreams and goals.
- The length of time it takes for you to develop into an E5 leader is up to you.
- The sooner you make a decision to believe, the sooner you get to E5 Leadership.
